#### Promotion Terms & Conditions

Offer to new and existing ADSL users on selected MegaPass DSL 256K, 1M and 2M residential plans only. To take up this offer, you must either have an active ADSL connection from other ISP or have not had any ADSL service including JetStream or UBS connection for the past 30 days on the same phone number. Existing WorldNet customer moving to new phone number may only join this promotion if not under a contract or previous promotion period. You will be placed on a 12-month contract with \$150 early disconnection fee. Free unlimited Dial up Service worth \$25 is available on request up to 1 month during the application process. Available payment options include credit card payment and Direct Debit only.

Router or equipment will incur courier and packing fees if you need it to be delivered. Router or equipment listed run for a limited time while stocks last. Unless specified otherwise, all new routers provide a 12 months manufacturer's warranty, used routers provide a 6 months warranty. Warranty does not cover failure or malfunction due to external causes, including accident, abuse, misuse, problems with electrical power, normal wear and tear, act of God, fire, flood, act of violence or any similar occurrence. Prices quoted include GST.
