Promotion Terms and Conditions

The new Megapass customer will be placed on a 12-month contract. Early disconnection fee applies for breaking the contract. Free unlimited dial-up service is available for up to 1 month, (on request only) while waiting for the broadband connection. Offer to new and existing ADSL users on MegaPass DSL plans. Router or equipment will incur courier and packaging fees if you need it to be delivered. Router or equipment listed run for a limited time while stocks last. Unless specified otherwise, all new routers provide a 12 month manufacturer's warranty. Warranty does not cover failure or malfunction due to external causes, including accident, abuse, misuse, problems with electrical power, normal wear and tear, act of God, fire, flood, act of violence or any similar occurrence. WorldNet Standard Terms and Conditions apply.

Offer 1

The new Megapass customer must either have an active ADSL connection from other ISP or have not had any ADSL service including JetStream or UBS connection for the past 30 days. Existing WorldNet customer moving to new premises may only join this promotion if she/he is not currently under any other contract.

Offer 2

All routers are covered by standard 1 year RTB warranty from the date of purchase. Free router is available by request only. Delivery and packing charge applies if she/he has chosen to send the equipment by courier.

Offer 3

The new customer taking this offer, should have not used WorldNet Broadband Services in the past 30 days or should be a new customer who never used WorldNet Broadband Service before. Your friend, who introduced WorldNet to you must be an existing user of WorldNet MegaPass DSL service. You and your friend should have different telecom account holder name and account number on the broadband line. This offer does not apply on move-of-address case. Any application submitted by the agent of WorldNet cannot apply for this offer. This offer is limited for online application only. This credit is not refundable.
